\$10 For You, \$10 For Your Friend!

Choosing the best veterinary facility for your best friend is a big decision. We are happy that you trust us here at Blue Skies.

If you have friends or family who are looking for the same high level of care for their own pets, we would love to meet them!

For every friend you refer to Blue Skies Veterinary Hospital, you will receive **\$10.00** in hospital credit for use on future veterinary services. It's the least we could do to thank you for your loyalty and support!

The referred client will also receive **\$10.00** off their pet's first visit.

It's simple. Before your friend's first visit:

- * Print this referral coupon and share it with the friend you are referring.
- * Ask your friend to bring the referral coupon with them to their pet's first visit.
